DOCTORAL STUDENT TRAVEL SCHOLARSHIP

Application Deadline: 11:59pm on April 12, 2019

We are pleased to announce the STS Doctoral Student Travel Scholarship for the 2019-2020 academic year. Up to two scholarships, each approximately $1,000 will be awarded per year to eligible doctoral students in the School of Transborder Studies. This travel scholarship will be paid on a reimbursement basis. This amount may be used in whole or in part, at any time throughout the school year, as long as the student and the activities meet the eligibility requirements. This scholarship should support travel associated with off-campus dissertation research, paper presentation and networking at conferences, participation in internships and off-campus professional development activities, and other travel opportunities helping students to gain professional visibility and enhance academic success and career potential.

Eligibility
1. New and continuing STS doctoral students. Students may or may not be advanced to candidacy at the time of travel.
2. Students must not have any unresolved incompletes (I grades) on record at the time of the travel.
3. Applicants must have been registered/enrolled as a full time student during the academic term in which the research/travel/professional activity will take place and for which reimbursement will be requested. Students who have finished coursework and will be taking the qualifying examinations or are further along will be exempt from this requirement with the approval of their advisor. For summer travel, the student must have met this requirement in the previous spring semester and register/enroll in the subsequent fall.
4. Students must meet ASU travel policies.
5. Students who were awarded other travel awards in the corresponding year will not be eligible for this travel grant.

Allowable Expenses
• Airfare
• Transportation
• Lodging
• Meals (reimbursed at prevailing ASU limits for each full day on travel status).
• Conference/Workshop registration and fees
• All other expenses are excluded
